Request for Continued Examination

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 10/03/2005 has been entered. An action on the RCE follows:

REASONS FOR ALLOWANCE

2. This office action is made in response to applicant's amendment/argument filed on 10/03/2005. Claims 1-16 are cancelled, claim 17 is amended, and claim 18 is previously presented. Applicant's arguments, see page 4, with respect to claims 17 and 18 have been fully considered and are persuasive. The rejection of claims 17 and 18 has been withdrawn.

3. Claims 17 and 18 are allowed.

4. The following is an examiner's statement of reasons for allowance:

The instant application is directed to a nonobvious improvement over the invention described in Pat. No. 5,900,857 to Kuwata et al. and Pat. No. 4,745,485 to Iwasaki. The improvement comprises a liquid crystal display device having a first-in-first-out (FIFO) (3) and a frame memory (1) wherein the time period for writing into the frame memory (1) is less than the time period during which the image data is stored in the FIFO (3), and in which the writing in and reading out of image data to and from the

frame memory 1 is effected through a single input/output terminal (7). This patentable distinction is included in all independent claim 17.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
